Thank  
you

Many thanks to everyone that came to the Summer Fair and spent their money to support the school. Luckily, the weather stayed dry and we had a steady stream of visitors throughout the afternoon. Everyone seemed to be having a great time and a current total of £4500 was raised. A particular thank you goes to those of you who brought in items to sell, donations of cakes and who volunteered to help on the day. There was a class competition to determine the class that donated the most cakes, which was won by 6H. Last but by no means least, an enormous thank you to the members of FoOF who have worked tirelessly over the last few weeks to prepare for the summer fair and who were there on the day from early in the morning setting up and late into the afternoon tidying. FoOF provides a wonderful support to the school and to the children. If you are interested in joining FoOF, speak to one of the current FoOF members. They can usually be found selling ice-creams outside the French room on a Friday after school!

## Sports day

Our annual Sports Day is approaching fast! Weather permitting, we will be holding the event next Friday (8th July) on the school field. Children should come into school on that day wearing their PE shorts and trainers and, if possible, a t-shirt in the colour of their house team (blue for Neptune, green for Jupiter, red for Mars and yellow for Mercury). If your child doesn't have the appropriate colour top, they can just wear their normal P.E. top. Children will not need to bring their school uniform in on this day.

It would be great to see as many parents, and other family members, as possible at the event. Activities will begin after all of the children have been registered; hopefully at about 9.15a.m.

After the sports, which will finish at about 11.45a.m, family members are welcome to stay for a picnic with the children, until approximately 12.45pm. We look forward to seeing you next Friday!

### Attendance Award

Well done to 5D who have won the attendance award for the last two weeks!

### Library Books

As we approach the end of term, please ask your children to have a hunt for any school library books that they may have and send them back into school as soon as possible. Obviously, if they're in the middle of a book, then finish it first but we would like to get any outstanding, overdue books back. This is particularly important for year 6 who will not be returning in September.

Library books that are not returned cost a lot of money to replace and, meanwhile, other children can't enjoy them.

Thanks for your support with this.
